LEARNING OBJECTIVES

- To think about how Frederic Ozanam must have felt when he was put on the spot and challenged that his religion did nothing except talk.
- To discuss together what that feels like when someone does not see the value in something you do.
- To think about how we value others when we speak. Are we encouraging? Do we show interest in someone else's work/project/game?
- To brainstorm ideas for synonyms for "Motivation" then turn these into a poster of positive encouragement.
