Read for Understanding and evaluation,,
think, discusa, express, imagine,analyse,
create, write

TIOF

RERC 2-14a, RERC 2-19a

Key skills

Think, contemplate, reflect, consider, pray

LEARNING OBJECTIVES

- To learn about a possible experience in the life of St Vincent de Paul.
- To read and understand the correct facts of a particular incident.
- To discuss what this story, even if untrue, tells us - the message of turning to God in our difficulty.
- To bring this lesson to the present day and think about how we pray to ask God for help. What do we promise to try for Him in return?
