

## **Job Description – Administrative Assistant**

### **Job Title: Administrative Assistant**

The Society of St Vincent de Paul Scotland (SSVP Scotland) is an international organisation of Catholic lay people, men, and women, who practice Christianity by helping those in need on a person-to-person basis. Vincentians show this love, compassion and understanding by giving of themselves – their concern, their friendship, their time, their talents – to help people, regardless of creed, colour, gender, or political belief.

The Society co-operates with other organisations, religious and secular, to achieve its aims. It is ecumenical. The Society is concerned not only with relieving need but also with redressing the situations that caused the need in the first place. If need results from injustice, the Society is concerned that justice shall be achieved.
