A proposal is currently being developed to hold a National Youth SSVF Conference in early June. This would be an all- day (perhaps 10am – 5pm) event open to all Youth SSVF groups around the country. The initial idea is to have a mix of guest speakers and workshops, along with time for getting to know one another. Is this an idea that you would be interested in bringing a group along to?

Do you have any other comments/ideas/suggestions?

Sincere thanks for taking the time to complete this questionnaire.
